

DESIGN PRINCIPLE 6

RESPECT THE BUILDING LINES OF THE SURROUNDING RIGHTS-OF-WAY AND THE ALIGNMENT OF TREES ALONG MARYLAND AVENUE

SIDEWALK VIEW LOOKING SOUTHEAST TOWARDS THE MEMORIAL

This contextual image illustrates the adjacent structures to the Memorial. The Memorial column is placed within the context of the broken street wall and provides a visual marker for the Memorial design. The placement of the column, in conjunction with the landscape design and new tree planting scheme, allows for a connection of new streetscape development along Independence Avenue.

INDEPENDENCE AVENUE: VIEWS WITH THE PROPOSED DESIGN
